

I'm **Dr. Bob Hughlett** and I would appreciate your vote.

After working as a **teacher** in the **Downey** Unified School District for three years, I became an **instructor** at **Cerritos College** until my retirement in 2005. During my time at the college I was a faculty member, **Director of Disabled Student Programs** and twice Interim **Vice President of Student Services**.

Since 1987, I was elected and re-elected to both the **ABC Unified** School District Board of Education and the **Cerritos City Council**. I served as the **President** of ABCUSD and was twice **Mayor** of Cerritos.

In November, 2005, you elected me a Cerritos College **Trustee** where I now am the **Vice President of the Board**.

My forty years in education and twenty years in public office have given me the experience, contacts and ideas to continue to excel as a Trustee.

Maintaining and growing excellent programs and services in the face of enormous fiscal challenges and the advent of a new President for Cerritos College are but two of the reasons calling for seasoned, receptive and **experienced** Board members.

Contact me at b.hughlett@verizon.net or 562-926-5003 for further conversation.

Please vote for **Bob Hughlett** on November 3.
